

**Profitability
Review**

Don't let this...

...happen to you.

If you ever find yourself hoping for an accounting miracle, you might benefit from a Garrett, McAuley & Co. Profitability Review. We'll analyze all aspects of your mortgage banking operation. We'll look for ways to control costs and better manage risk, but our main focus is finding ways to grow your profits. You'll get a report with

concrete, specific things you can start doing *today* to boost your profits.

Give us a call to discuss whether a Profitability Review is something you can benefit from. Just don't wait for some sort of disaster, and don't count on an accounting miracle. By then, it might be too late.
